- Wealth preserved and created by following long-term, low turnover strategy
- Value-based approach to investing
- Unconstrained, high conviction approach (balanced by sufficient diversification)
- Importance of transaction costs (low turnover, consider transaction size)
- Strategic focus (not obsessed with daily news-flow)
- Risk defined as potential to lose money, i.e. focus on capital preservation

Deon Gouws

Chief Investment Officer

Deon joined Credo in March 2012 as the Chief Investment Officer after a career of more than 16 years on the institutional side of the investment industry, most recently as the Chief Executive Officer of RMB Asset Management in Johannesburg. Prior to that, Deon qualified as a Chartered Accountant and lectured in accountancy and finance. He also has an M Phil (Finance) from the University of Cambridge and is a CFA charterholder.

Jarrod Cahn

Senior Portfolio Manager

Jarrod joined Credo in 2000 and is a Senior Portfolio Manager at Credo Capital plc. He is a qualified attorney on the non-practicing roll in South Africa, and holds BA (LLB) degrees from Wits University (SA). He was formerly senior portfolio manager at Cahn Shapiro Stockbrokers (SA). Jarrod acts as lead portfolio manager in respect of Credo's equity portfolios.

Jason Spilkin

Portfolio Manager

Jason joined Credo's investment team as an Equity Analyst in 2013. He obtained a Bachelor of Commerce degree from Stellenbosch University. Jason subsequently completed Honours at the University of Cape Town followed by an MSc in Investment Management at the CASS Business School in London. He is a CFA charterholder and has worked at funds including Vantage Investment Management and Stark Investments.

Alison Norbury

Equity Analyst

Alison joined Credo's investment team as an Equity Analyst in 2017. Having graduated from King's College London in 2015 with a Bachelor of Science degree in Physics and Philosophy, she previously worked at Pensato Capital LLP.

- Following the success of the Credo Best Ideas Portfolio (BIP) and the Dividend Growth Portfolio (DGP) in providing global equity exposure the Fund launched on 1 March 2016
- The Fund uses a similar investment methodology as that employed for the BIP and DGP
- The Fund combines the “best of both worlds” as a substantial portion of it will overlap with existing stocks included in the BIP and DGP
- In addition, the Fund includes some of the stocks of the Credo Special Opportunities Portfolio (SOP), which consists of a limited number of equities with a somewhat higher risk / reward profile, as compared to the BIP and DGP
