FUND SNAPSHOT

- Multi-asset class exposure across equities, fixed income and collective investments
- Globally diversified and flexible investment strategy with a growth bias
- Focus on developed capital markets
- No derivatives, gearing or hedging
- Long term investment view focused on high-quality, fundamentally sound businesses

OBJECTIVE AND PHILOSOPHY

The investment objective is to provide attractive risk-adjusted returns from a globally diversified portfolio of equity and fixed income investments, with a particular focus on developed capital markets. The Fund is actively managed and has the flexibility to allocate capital across asset classes and follows a primarily bottom up investment strategy. The Fund Manager aims to invest in companies that are fundamentally sound and will therefore deliver favourable returns to investors over the long-term.

ABOUT CREDO

Credo is a Wealth Management services business that has been in existence since 1998 and employs over 100 staff. The group has assets under administration in excess of £4.7bn (£1.4bn of which is under management) and has offices in the United Kingdom and South Africa. Credo is majority owned by senior management, many of whom have been with the group for more than ten years. The principles that form the cornerstones of our business are to provide our clients with personal service, focus on long-term success and to build relationships based on trust. This results in meaningful and lasting partnerships with both our Private Clients and our Financial Intermediary clients. Credo investment solutions include a range of Credo funds, Managed Portfolio Services as well as bespoke solutions.
