FUND SNAPSHOT

- Multi-asset class exposure across equities, fixed income and collective investments
- Globally diversified and flexible investment strategy with a growth bias
- Focus on developed capital markets
- No derivatives, gearing or hedging
- Long term investment view focused on high-quality, fundamentally sound businesses

OBJECTIVE AND PHILOSOPHY

The investment objective is to provide attractive risk-adjusted returns from a globally diversified portfolio of equity and fixed income investments, with a particular focus on developed capital markets. The Fund is actively managed and has the flexibility to allocate capital across asset classes and follows a primarily bottom up investment strategy. The Fund Manager aims to invest in companies that are fundamentally sound and will therefore deliver favourable returns to investors over the long-term.
